Story Times are scheduled once a month for children (good listeners) ages 2-5. They include a story, craft and refreshments. If you have registered your child before and your phone information has changed, please contact the library at 452-6465 to update our records. Your children's ability to read well will benefit them throughout their entire lives. The parents who attend our story time seem to enjoy it as much as the children do. See you at Story Time!

Thanks to Rhonda Davis with Mobile Historical Society, the Library Received three display cabinets. Come by the Library and see the display of early Chickasaw memorabilia.

Visit our Library and make it a habit!

Message from City Hall

Please help remove falling leaves from street gutters and driveway areas. This will help keep rainwater from becoming a flood area. Also City ordinance requires you to place physical address numbers in front of your house for your safety.
